**NOTICE OF ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON JUNE 26, 2018**

NOTICE IS HEREBY GIVEN that an annual general and special meeting (the "**Meeting**") of the holders ("**Shareholders**") of common shares of Dealnet Capital Corp. ("**Dealnet**" or the "**Corporation**") will be held at the offices of Gardiner Roberts LLP, Adelaide Centre, East Tower, 22 Adelaide Street West, Suite 3600, Toronto ON M5H 4E3 on June 26, 2018 at 8:00am (Toronto time), for the following purposes:

1. to receive the consolidated financial statements of the Corporation for the year ended December 31, 2017, together with the report of the auditors thereon and related management's discussion and analysis;
2. to elect directors of the Corporation;
3. to appoint auditors and to authorize the directors to fix the auditors' remuneration;
4. to consider and, if deemed advisable, to approve the rolling omnibus plan of the Corporation (a copy of which is set out in Schedule "A" to the accompanying Information Circular);
5. to consider and, if deemed advisable, to approve the shareholder rights plan of the Corporation (a summary of key terms of which is set out in Schedule "B" to the accompanying Information Circular); and
6. to transact such other business as may properly come before the Meeting or any adjournment thereof.

The nature of the business to be transacted at the Meeting is described in further detail in the Information Circular under the section "*Matters to be Acted Upon*" and at: www.dealnetcapital.com/2018AGM/.

The record date for the determination of Shareholders entitled to receive notice of, and to vote at, the Meeting is May 14, 2018 (the "**Record Date**"). Shareholders whose names have been entered in the register of Shareholders at the close of business on the Record Date are entitled to receive notice of, and to vote, at the Meeting or any adjournments or postponements thereof.

Notice-and-Access

The Corporation is using the notice-and-access mechanism (the "**Notice-and-Access Provisions**") under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations*, for distribution of Meeting materials to registered and beneficial Shareholders.

Website Where Meeting Materials are Posted

The Notice-and-Access Provisions allow reporting issuers to post electronic versions of proxy-related materials, such as the Information Circular, financial statements of the Corporation for the year ended December 31, 2017 ("**Financial Statements**") and management's discussion and analysis of the Corporation's results of operations and financial condition for 2017 ("**MD&A**") (collectively, the "**Proxy-Related Materials**") online, via the System for Electronic Document Analysis and Retrieval ("**SEDAR**") and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Information Circular, the Financial Statements and the MD&A may be found on the Corporation's SEDAR profile at www.sedar.com and also on the Corporation's website at www.dealnetcapital.com/2018AGM/. The Corporation will not use procedures known as "stratification" in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Information Circular to some Shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions,

which will not include a paper copy of the Information Circular nor the Financial Statements. Shareholders are reminded to review the Information Circular prior to voting.

Obtaining Paper Copies of Materials

The Corporation anticipates that using the Notice-and-Access Provisions for delivery to all Shareholders will directly benefit the Corporation through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing Proxy-Related Materials. Shareholders with questions about notice-and-access can call the Corporation's transfer agent, Capital Transfer Agency ("**Capital**") at 390 Bay Street, Suite 920, Toronto, Ontario M5H 2Y2, toll-free at 1-844-499-4482. Shareholders may also obtain paper copies of the Proxy Related Materials free of charge by contacting Capital toll-free at 1-844-499-4482 or upon request to the Corporation's Corporate Secretary.

A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Corporation or Capital as applicable, by June 8, 2018 in order to allow sufficient time for Shareholders to receive the paper copies and to return their proxies or voting instruction forms to intermediaries before June 22, 2018, at 8:00 a.m. local time, being the date that is not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof.

Voting

All Shareholders are invited to attend the Meeting and may attend in person or may be represented by proxy.

FORM OF PROXY FOR REGISTERED SHAREHOLDERS

Completed proxies for Registered Shareholders must be returned to Capital, the Corporation's transfer agent: (i) by mail to Capital Transfer Agency at 390 Bay Street, Suite 920, Toronto, Ontario M5H 2Y2; (ii) by facsimile at 416-350-5008; (iii) by email to info@capitaltransferagency.com; or (iv) by internet at www.capitaltransferagency.com, by 8:00 am (Eastern time) June 22, 2018 or not less than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) before the time any adjourned Meeting is reconvened or any postponed Meeting is convened (the "**Proxy Deadline**").

VOTING INSTRUCTION FORMS FOR NON-REGISTERED SHAREHOLDERS

Non-Registered Shareholders, who have not waived the right to receive the Proxy-Related Materials will either: (i) receive a voting instruction form; or (ii) be given a proxy, which has already been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed.

Non-Registered Shareholders should carefully follow the instructions that accompany the voting instruction form or the proxy, including those indicating when and where the voting instruction form or the proxy is to be delivered. Voting instructions must be deposited by the Proxy Deadline; however, your voting instruction form may provide for an earlier date to process your votes in a timely manner. Voting instruction forms permit the completion of the voting instruction form online or by telephone. A Non-Registered Shareholder wishing to attend and vote at the Meeting in person should follow the corresponding instructions on the voting instruction form or, in the case of a proxy, strike out the names of the persons named in the proxy and insert the Non-Registered Shareholder's name in the space provided.

DATED this 18th day of May, 2018.

BY ORDER OF THE BOARD OF DIRECTORS

(signed) "*Brent Houlden*"

Brent Houlden, Chief Executive Officer and Director

MANAGEMENT INFORMATION CIRCULAR

as at May 18, 2018

Dealnet Capital Corp. (the "**Corporation**") is using the notice-and-access mechanism (the "**Notice-and-Access Provisions**") under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") and National Instrument 51-102 – *Continuous Disclosure Obligations* ("**NI 51-102**") for distribution of this Management Information Circular (this "**Information Circular**") to both registered and non-registered (or beneficial) holders (collectively, the "**Shareholders**") of common shares of the Corporation (the "**Common Shares**"). Further information on the Notice-and-Access Provisions is contained below under the heading "*General Proxy Information – Notice-and-Access*" and Shareholders are encouraged to read this information for an explanation of their rights.

GENERAL INFORMATION RESPECTING THE MEETING

This Information Circular is furnished in connection with the solicitation of proxies by the management of the Corporation for use at the annual meeting (the "**Meeting**") of the Shareholders to be held on the 26th day of June, 2018, at 8:00am (Toronto time) at the offices of Gardiner Roberts LLP, 22 Adelaide Centre, East Tower, Adelaide Street West, Suite 3600, Toronto ON M5H 4E3, and at any adjournment(s) thereof, for the purposes set forth in the accompanying Notice of Meeting.

In this Information Circular, references to "the Corporation", "we" and "our" refer to Dealnet Capital Corp. "Beneficial Shareholders" means Shareholders who do not hold Common Shares in their own name and "intermediaries" refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Corporation. The Corporation will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to Beneficial Shareholders held by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxy Holders

The individuals named in the accompanying form of proxy (the "**Proxy**") are officers of the Corporation. **If you are a Shareholder entitled to vote at the Meeting, you have the right to appoint a person or corporation other than either of the persons designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy (and striking out the names now designated) or by completing and delivering another suitable form of proxy.** For instructions regarding the delivery of instruments of proxy, see below under the heading "*Registered Shareholders*".

Voting by Proxy Holder

The persons named in the Proxy will vote for or against or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is NOT specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy FOR the approval of such matter. Management is not currently aware of any other matter that could come before the Meeting.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed Proxy and returning it to the Corporation's transfer agent, Capital Transfer Agency: (i) 390 Bay Street, Suite 920, Toronto, Ontario M5H 2Y2; (ii) by facsimile at 416-350-5008; (iii) by email to info@capitaltransferagency.com; or (iv) by internet at www.capitaltransferagency.com; not less than 48 hours, excluding Saturdays, Sundays or statutory holidays in the City of Toronto, before the time set for the holding of the Meeting or any adjournment or postponement thereof.

Beneficial Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Corporation as the registered holders of Common Shares).

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder: You should carefully follow the instructions of your broker or intermediary to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders by the Corporation. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**"). Broadridge mails a voting instruction form in lieu of a Proxy provided by the Corporation. The voting instruction form will name the same persons as the Corporation's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Shareholder), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should follow the instructions on the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting - the voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.**

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker, or have a person designated by you to do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Shareholder who has given a proxy may revoke it by executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date or the notice of revocation to Capital: (i) at 390 Bay Street, Suite 920, Toronto, Ontario M5H 2Y2; (ii) by facsimile at 416-350-5008; or (iii) by email to info@capitaltransferagency.com, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Notice and Access

As noted above, the Corporation is using the Notice-and-Access Provisions under NI 54-101 and NI 51-102 for distribution to this Information Circular to all registered Shareholders and Non-Registered Shareholders.

The Notice-and-Access Provisions allow reporting issuers to post electronic versions of proxy-related materials, such as this Information Circular and annual financial statements (the "**Proxy-Related Materials**") online, via the System for Electronic Document Analysis and Retrieval ("**SEDAR**") and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of this Information Circular, financial statements of the Corporation for the year ended December 31, 2017 ("**Financial Statements**") and management's discussion and analysis of the Corporation's results of operations and financial condition for 2017 ("**MD&A**") may be found on the Corporation's SEDAR profile at www.sedar.com and also on the Corporation's website at www.dealnetcapital.com/2018AGM. The Corporation will not use procedures known as "stratification" in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of its information circular to some shareholders with the notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of this Information Circular. **Shareholders are reminded to review this Information Circular before voting.**

Although this Information Circular, the Financial Statements and the MD&A will be posted electronically online as noted above, Shareholders will receive paper copies of a "notice package" via prepaid mail containing the Notice with information prescribed by NI 54-101 and NI 51-102, a form of proxy or voting instruction form, and supplemental mail list return card for Shareholders to request they be included in the Corporation's supplementary mailing list for receipt of the Corporation's annual financial statements for the 2017 fiscal year.

The Corporation anticipates that relying on the Notice-and-Access Provisions will directly benefit the Corporation through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing Proxy-Related Materials.

Shareholders with questions about the Notice-and-Access can call the Corporation's transfer agent, Capital, at 416-350-5007 or toll-free at 1-844-499-4482. Shareholders may also obtain paper copies of Proxy Related Materials free of charge by contacting Capital: at 416-350-5007; or toll-free at 1-844-499-4482; or by email at info@capitaltransferagency.com; or upon request to the Corporate Secretary of the Corporation.

A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Corporation or Capital, as applicable, by June 8, 2018 to allow sufficient time for Shareholders to receive their paper copies and to return a) their form of proxy to the Corporation or Capital, or b) their voting instruction form to their Intermediaries by the Proxy Deadline.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No person who has been a director or executive officer of the Corporation since the beginning of the last financial year, no proposed nominee for election as a director of the Corporation, and no associate or affiliate of any such director, proposed director or executive officer has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the approval of the Corporation's 10% rolling omnibus plan (to the extent that such directors and/or officers hold stock options; see "*Executive Compensation*" below for particulars on the options held by directors and officers).

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Each holder of Common Shares of record at the close of business on May 14, 2018 (the "**Record Date**"), is entitled to vote at the Meeting or at any adjournment thereof, either in person or by proxy.

As of the Record Date, the Corporation had 284,001,390 issued and outstanding Common Shares. Each common share carries the right to one vote. The Common Shares are listed and posted for trading on the TSX Venture Exchange (the "**TSXV**") under the symbol "**DLS**."

To the knowledge of the directors and executive officers of the Corporation, as of the date hereof, no person or company beneficially owns, or controls or directs, directly or indirectly, 10% or more of the voting rights attached to any class of voting securities of the Corporation, on a non-diluted basis.

QUORUM

A quorum for the transaction of business at any meeting of Shareholders is two persons present in person, each being a Shareholder entitled to vote thereat or a duly appointed proxyholder or representative for a Shareholder so entitled, irrespective of the number of shares held by such persons. If a quorum is present at the opening of any meeting of Shareholder, the Shareholder or Shareholders present or represented may proceed with the business of the meeting notwithstanding that a quorum is not present throughout the meeting. If a quorum is not present at the time appointed for the meeting or within a reasonable time thereafter as the Shareholders may determine, the Shareholders present or represented may adjourn the meeting to a fixed time and place but may not transact any other business.

MATTERS TO BE ACTED ON AT THE MEETING

A. Receipt of Financial Statements

The Financial Statements and the report of the auditors thereon are available on SEDAR at www.sedar.com. No vote with respect to such audited consolidated financial statements is required or proposed to be taken.

B. Election of Directors

The Board of Directors of the Corporation (the "Board") currently consists of six (6) Directors. The Board has passed a resolution fixing the number of Directors to be elected at five (5).

Management proposes that each of the persons named below be individually nominated at the Meeting for re-election or election, as the case may be, as directors of the Corporation to serve, until the next annual meeting of Shareholders or until his or her successor is elected or appointed. Management does not contemplate that any of the nominees will be unable to serve as a director. **However, if a nominee should be unable to so serve for any reason prior to the Meeting, the persons named in the enclosed form of proxy reserve the right to vote for another nominee in their discretion. Shares represented by proxies in favour of management nominees will be voted FOR the election of all of the nominees whose names are set forth below, unless a Shareholder has specified in his, hers or its proxy that his, hers or its shares are to be withheld from voting on the election of directors.**

The following table and the notes thereto state the names of all persons to be nominated for election as directors, all other positions or offices with the Corporation now held by them, their principal occupations of employment, the year in which they became directors for the Corporation, the approximate number of Common Shares beneficially owned, or controlled or directed, directly or indirectly, by each of them, as of the date hereof.

Corporate Cease Trade Orders, Penalties and Bankruptcies

To the best of the Corporation's knowledge, no proposed director is, at the date of this Information Circular, or has been, within the 10 years prior to the date of this Information Circular, a director or chief executive officer or chief financial officer of any Corporation (including the Corporation) that, while that person was acting in that capacity,

- (a) was subject to an order that was issued while the proposed director was acting in the capacity of director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

For the purposes of the above section, the term "order" means:

- (i) a cease trade order;
- (ii) an order similar to a cease trade order; or
- (iii) an order that denied the relevant Corporation access to any exemption under securities legislation

that was in effect for a period of more than 30 consecutive days.

Except as disclosed below, to the Corporation's knowledge, no proposed director of the Corporation is or has been, within the 10 years before the date of this Information Circular, a director or executive officer of any Corporation that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

On July 2, 2015, Mr. Houlden was named Interim CFO of Danier Leather Inc. The company announced on February 4, 2016 that it filed an NOI to make a proposal under the *Bankruptcy and Insolvency Act* (Canada).

To the Corporation's knowledge, no proposed director of the Corporation has, within the 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or been subject to or instituted any proceedings, arrangements or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that person.

The Board unanimously recommends that Shareholders vote FOR the Election of Directors set out above.

Common Shares represented by proxies in favour of the management nominees will be voted FOR the election of each of the nominees as a director of the Corporation, unless a Shareholder has specified in his, her or its proxy that his, her or its shares are to be withheld from voting for any or all of the nominees.

C. Appointment of Auditors

On May 14, 2018, the Corporation determined to replace Ernst & Young LLP with KPMG LLP. A copy of the Notice of Change of Auditor and the applicable response letters from the former and successor auditors are attached hereto as Schedule "C". At the Meeting, the holders of Common Shares will be requested to appoint KPMG LLP as auditors of the Corporation to hold office until the next annual meeting of Shareholders or until a successor is appointed, and to authorize the Board to fix the auditors' remuneration.

The Board unanimously recommends that Shareholders vote FOR the Appointment of Auditors set out above.

Common Shares represented by proxies in favour of the management nominees will be voted FOR the appointment of KPMG LLP as auditor of the Corporation and authorizing the directors of the Corporation to fix their remuneration, unless a Shareholder has specified in his, her or its proxy that his, her or its shares are to be withheld from voting on the appointment of auditors.

D. Approval of the Corporation's Omnibus Plan

On June 28, 2017, the Shareholders approved the omnibus equity incentive plan (the "**2017 Omnibus Plan**") of the Corporation pursuant to which the Corporation is able to issue share-based long term incentives. All directors, officers, employees and independent contractors of the Corporation and/or its affiliates (collectively, the "**Service Providers**") are eligible to receive awards under the 2017 Omnibus Plan. The purpose of the 2017 Omnibus Plan is to (i) develop the interest of Service Providers in the growth and development of the Corporation by providing such persons with the opportunity to acquire a proprietary interest in the Corporation; (ii) attract and retain valuable Service Providers to the Corporation with a competitive compensation mechanism; and (iii) align the interests of the participants with those of Shareholders by devising a compensation mechanism which encourages the prudent maximization of distributions to Shareholders and long-term growth.

On May 14, 2018, the Board amended and restated the 2017 Omnibus Plan (the "**Omnibus Plan**") to increase the maximum number of common shares that may be reserved for issuance to non-employee directors of the Corporation from 1% to 4% of the outstanding common shares from time to time. The requirement that the value of all security-based compensation arrangements of the Corporation issuable to any one director who is not an officer or employee of the Corporation within any one year period shall not exceed \$150,000 in Award value, of which no more than \$100,000 may comprise Options remains in effect.

A copy of the Omnibus Plan is attached to this Circular at Schedule "A" and a summary thereof is included below. The summary, however, is qualified in its entirety by the terms of the Omnibus Plan.

The key terms of the Omnibus Plan are summarized as follows:

Purpose:	To attract and retain key talent who are necessary or essential to the Corporation's success, image, reputation or activities. It also allows Dealnet to reward key talent for their performance and greater align their interests with those of the Shareholders.
Eligible Participants:	Any employee, executive officer, director, or consultant of the Corporation or any of its subsidiaries is a "Service Provider" and considered eligible to be selected to receive an Award under the Omnibus Plan, provided that consultants are not eligible to receive DSUs.

Pricing	The Board will establish the exercise price at the time each Option Award is granted and the fair market value at the time RSU, PSU or DSU Award is granted. The Omnibus Plan provides that the exercise price and fair market value shall be calculated based on the volume weighted average price for the five days preceding the date of the grant of the Award.

Share Reserve:	<p>The total number of Awards outstanding under the Plan shall not exceed 10% of the Corporation's outstanding capital and the maximum number of RSUs, PSUs and DSUs outstanding at any time shall not exceed the lesser of: (A) 10% of the Corporation's outstanding capital less the number of Options outstanding; and (ii) 20,000,000 less the number of RSUs, PSUs and DSUs redeemed for Common Shares.</p>

At the Meeting, Shareholders will be asked to pass an ordinary resolution set out below. In order to be adopted, the resolution must be passed by a simple majority of the votes cast in person or by proxy, at the Meeting, of disinterested shareholders. All directors and officers and their associates and affiliates will be excluded from voting on this resolution including Chris Alexander, Harold Bridge, Richard Carl, Joanne De Laurentiis, Brent Houlden, Paul Leonard, and Mike Koshan. As of the date hereof, the Corporation has been advised that a total of 7,655,978 Common Shares will be excluded from voting on the resolution.

"RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. The Omnibus Plan, substantially as described in the Information Circular and Proxy Statement of the Corporation dated May 18, 2018 is hereby approved;

2. The Corporation has the ability to continue granting Awards under the Omnibus Plan until the next annual meeting of the Shareholders or such later time as may be permitted under the rules of any applicable stock exchange;
3. The Board may revoke this resolution before it is acted upon, without further approval of the shareholders; and
4. Any one officer or director of the Corporation is authorized and directed to perform all such acts, deeds and things and execute, under the seal of the Corporation or otherwise, all such documents and other writings, including treasury orders, stock exchange and securities commission forms, as may be required to give effect to the true intent of this resolution."

Based on the foregoing, the Board unanimously recommends that Shareholders vote FOR the resolution to approve the Omnibus Plan set out above.

Common Shares represented by proxies in favour of management nominees will be voted FOR the approval of the Omnibus Plan, unless a Shareholder has specified in his, her or its proxy that his, her or its shares are to be voted against the approval of the Omnibus Plan.

E. Approval of the Rights Plan

At the Meeting, Shareholders will be asked to pass an ordinary resolution set out below approving the adoption of shareholders rights plan of the Corporation (the "Rights Plan").

The Corporation and Capital Transfer Agency Inc. (the "Rights Agent") entered into an agreement dated as of May 14, 2018 (the "Rights Plan Agreement").

Under the terms of the Rights Plan, its continued existence (as amended if applicable) must be approved by a resolution in which a majority of Independent Shareholders vote in favour on or before the Corporation's annual meeting of Shareholders which is to take place during 2018. An "Independent Shareholder" is generally any shareholder other than an "Acquiring Person" (as defined in the Rights Plan) and its associates and affiliates. As of the date of this Information Circular, the Corporation is not aware of any shareholder that would not be considered an Independent Shareholder, and therefore it is anticipated that all shareholders will be eligible to vote their Common Shares on the resolution to approve the Rights Plan.

The Rights Plan allows each shareholder (other than the person that acquires 20% or more of the Common Shares) to continue (with the changes described below) to possess a right (which may only be exercised if a person acquires control of 20% or more of the Common Shares) to acquire additional Common Shares at one-half of the market price at the time of exercise. This significantly dilutes the share position of the person that acquires 20% or more of the Common Shares and practically prevents that person from acquiring control of 20% or greater of the Common Shares unless the Rights Plan has been withdrawn or the buyer makes a Permitted Bid (as discussed below). The two most common approaches that a buyer may take to have a rights plan withdrawn are: (i) to negotiate with the Board to have the rights plan waived; or (ii) to apply to the applicable securities commission to order the Rights Plan to be ceased traded after a period of time if the Corporation has not been able to develop alternative transactions. Both of these approaches will give the Board more time and control over any sale process and increase the likelihood of a better offer to the Corporation's shareholders. See "Objectives of the Rights Plan" below.

If the resolution is not passed, the Rights Plan will become void and of no further force and effect, and the Corporation will not have any form of shareholder rights plan.

Summary of the Rights Plan and Copy of the Rights Plan Agreement

A summary of the key features of the Rights Plan is attached hereto as Schedule “B”. All capitalized terms used in this section of this Information Circular and Schedule “B” have the meaning set forth in the Rights Plan unless otherwise indicated. The complete text of the Rights Plan is available on SEDAR at www.sedar.com. The Rights Plan is also available to any shareholder on request from the Chief Financial Officer of the Corporation. Shareholders wishing to receive a copy of the Rights Plan should contact the Chief Financial Officer of the Corporation at: 4 King Street West, Suite 1700, Toronto, ON M5H 1B6, attention: Chief Financial Officer.

Objectives of the Rights Plan

The Rights Plan is being implemented in contemplation or a possible take-over bid. As of the date of this Information Circular, the Board was not aware of any third party considering or preparing any proposal to acquire control of the Corporation. The primary objectives of the Rights Plan are to ensure that, in the context of a bid for control of the Corporation through an acquisition of the Common Shares, the Board has sufficient time to explore and develop alternatives for maximizing shareholder value, to provide adequate time for competing bids to emerge, to ensure that shareholders have an equal opportunity to participate in such a bid and to give them adequate time to properly assess the bid and lessen the pressure to tender typically encountered by a security holder of an issuer that is subject to a bid. The Rights Plan in no way prohibits a change of control of the Corporation in a transaction that is fair and in the best interests of all shareholders of the Corporation. The rights of shareholders to seek a change in the management of the Corporation or to influence or promote action of management in a particular manner will not be affected by the Rights Plan. The approval of the Rights Plan does not affect the duty of a director to act honestly and in good faith with a view to the best interests of the Corporation and its shareholders.

In approving the Rights Plan, the Board considered the existing legislative framework in Canada governing take-over bids following the adoption of new rules by the Canadian Securities Administrators in 2016. Although these new rules require that all non-exempt take-over bids meet a minimum tender requirement of more than 50% of the outstanding securities held by independent shareholders and require a ten day extension after the minimum tender requirement is met, there can still be circumstances where there would be time pressure on shareholders in the absence of the Rights Plan including circumstances where an exempt take-over bid is made where control of the Corporation may be acquired pursuant to a private agreement in which a small group of security holders dispose of their securities at a premium to market price which premium is not shared with other security holders. In addition, a person may slowly accumulate securities through stock exchange acquisitions which may result, over time, in an acquisition of control without payment of fair value for control or a fair sharing of a control premium among all security holders. The Rights Plan addresses these concerns by applying to all acquisitions of greater than 20% of the Common Shares, to better ensure that shareholders receive equal treatment. There may also be circumstances where a potential acquirer will attempt to lock-up existing shareholders prior to launching a formal bid where the form of lock-up agreement does not comply with the definition of Permitted Lock-up Agreement in the Rights Plan.

General Impact of the Rights Plan

It is not the intention of the Board, in approving the Rights Plan, to secure the continuance of existing directors or management in office, nor to avoid a bid for control of the Corporation in a transaction that is fair and in the best interests of shareholders. For example, through the Permitted Bid mechanism,

described in more detail in the summary attached hereto as Schedule “B”, shareholders may tender to a bid that meets the Permitted Bid criteria without triggering the Rights Plan, regardless of the acceptability of the bid to the Board. Furthermore, even in the context of a bid that does not meet the Permitted Bid criteria, the Board will continue to be bound to consider fully and fairly any bid for the Common Shares in any exercise of its discretion to waive application of the Rights Plan. In all such circumstances, the Board must act honestly and in good faith with a view to the best interests of the Corporation and its shareholders.

The Rights Plan does not preclude any shareholder from utilizing the proxy mechanism under the *Business Corporations Act (Ontario)* and securities laws to promote a change in the management or direction of the Corporation, or its Board, and has no effect on the rights of holders of outstanding Common Shares to requisition a meeting of shareholders in accordance with the provisions of applicable corporate and securities legislation, or to enter into agreements with respect to voting their Common Shares. The definitions of “Acquiring Person” and “Beneficial Ownership” have been developed to minimize concerns that the Rights Plan may be inadvertently triggered or triggered as a result of an overly-broad aggregation of holdings of institutional shareholders and their clients.

The Rights Plan will not interfere with the day-to-day operations of the Corporation. The issuance of the Rights does not in any way alter the financial condition of the Corporation, impede its business plans or alter its financial statements.

In summary, the Board believes that the dominant effect of the Rights Plan will be to enhance shareholder value, and ensure equal treatment of all shareholders in the context of an acquisition of control.

Vote Required

Shareholder approval of the Rights Plan is not required by law but is required by applicable stock exchange rules. The Rights Plan has been conditionally approved by the TSXV, subject to shareholder approval. At the Meeting, Shareholders will be asked to pass an ordinary resolution set out below. In order to be adopted, the resolution must be passed by a simple majority of the votes cast in person or by proxy, at the Meeting, by Independent Shareholders. If the Rights Plan Resolution is passed at the Meeting, then the Rights Plan will continue. If the Rights Plan Resolution is not passed at the Meeting, the Rights Plan will immediately terminate.

“RESOLVED, AS AN ORDINARY RESOLUTION THAT:

1. The shareholder rights plan of the Corporation be approved and the shareholder rights plan agreement (the “Rights Plan”) effective as of May 14, 2018 between the Corporation and Capital Transfer Agency Inc., the rights agent, be continued and the rights issued under the Rights Plan are confirmed; and
2. Any one officer or director of the Corporation is authorized and directed to perform all such acts, deeds and things and execute, under the seal of the Corporation or otherwise, all such documents and other writings, including treasury orders, stock exchange and securities commission forms, as may be required to give effect to the true intent of this resolution.”

The Board unanimously recommends that Shareholders vote FOR the Approval of the Rights Plan set out above.

Common Shares represented by proxies in favour of the management nominees will be voted FOR the approval of the Rights Plan, unless a Shareholder has specified in his, her or its proxy that his, her or its shares are to be withheld from voting on the approval of the Rights Plan.

Executive Compensation Discussion and Analysis

Executive Compensation

Securities laws require that a "Statement of Executive Compensation" in accordance with Form 51-102F6 be included in this Information Circular. Form 51-102F6 prescribes the disclosure requirements in respect of the compensation of executive officers and directors of reporting issuers. Form 51-102F6 provides that compensation disclosure must be provided for the Chief Executive Officer and the Chief Financial Officer of an issuer and each of the issuer's three mostly highly compensated executive officers at the end of the most recently completed financial year whose total compensation exceeded \$150,000. Based on these requirements, the executive officers of the Corporation for whom disclosure is required under Form 51-102F6 for the year ended December 31, 2017 are Dr. Steven Small and Messrs. Michael Hilmer, Brent Houlden, Paul Leonard, Roy Murzello and Christopher Alexander, who are collectively referred to as the "**Named Executive Officers**" or "**NEOs**".

The Corporate Governance and Compensation Committee ("CGCC") considers and determines the compensation payable to all NEOs of the Corporation. As of the date of this Information Circular, the CGCC is comprised of three directors: Richard Carl, Joanne De Laurentiis, and John Radford, all of whom are independent of management within the meaning of NI 58-101. All members have direct experience with matters of executive compensation from past and present occupations. In executive capacities, they have participated in the setting of policy for executive compensation, as well as having other company's executive compensation policies applied directly to them in their various executive roles. As considered necessary, the CGCC has sought the advice of the Corporation's external auditors, legal counsel and financial advisors, as well as the informal advice of other professionals in considering and recommending to the Board policies for executive and director level compensation for the Corporation. More specifically, the CGCC engaged Global Governance Advisors ("GGA"), an independent compensation advisor with significant executive compensation experience. GGA is independent of management, well qualified and represents the interests of shareholders when working for the CGCC and the Board. In 2016 and 2017, GGA helped the CCCG by (i) providing compensation research and data, and education on emerging trends and best practices, (ii) providing performance management planning, (iii) reviewing and designing incentive plans, and (iv) conducting comprehensive compensation reviews of the compensation levels for the Corporation's directors and officers (including an in-depth market analysis of compensation levels and designs of organizations that operate within a comparable sector and are of a similar scale to the Corporation). All work conducted by GGA is pre-approved by the CGCC and GGA does not provide any non-Board approved services to the organization. The CGCC takes GGA's reports and recommendations into consideration when assessing compensation structure and awards, but ultimately makes its own decisions and recommendations for the Board to approve.

GGA's fees incurred in the last two completed fiscal years are as follows:

Fiscal year	Executive Compensation-Related Fees	All Other Fees
2017	\$127,771	\$0
2016	\$40,595	\$0

In 2016, GGA was retained to provide the CGCC with advice and recommendations related to the compensation philosophy, peer group and performance management plan and balanced scorecard for the NEOs and executive chair programs for fiscal year 2016 and 2017. In addition, GGA conducted a review of the executive employment agreements and reviewed pay equity for senior management roles. In 2017,

GGA conducted a comprehensive market review for director compensation, long-term incentive review and design and comparator peer group, and has provided recommendations for strengthening the Corporation's overall executive compensation program on a go-forward basis, including the refinement of the CEO's balanced scorecard and the creation and implementation of the 2017 Omnibus Plan.

The primary objective of the Corporation's executive compensation program is to motivate, reward and retain management talent that is needed to achieve the Corporation's business objectives. The program is tailored to ensure that compensation is competitive with comparable companies, and is commensurate with the experience, performance and contribution of the individuals involved and the overall performance of the Corporation. In evaluating performance, the CGCC considers the Corporation's short and long-term business objectives, financial metrics as well to the qualitative aspects of the NEO's performance and achievements.

Prior to 2016, the Corporation did not have a formal compensation program with set benchmarks or assessments related to the risks associated with the compensation program, other than monitoring and evaluating key performance based metrics, which were reviewed quarterly and annually. The Corporation has historically relied on informal discussions, among management, the Board, outside investors and professionals, as to what are reasonable and rewarding objectives for NEOs, always remaining mindful of and seeking to align those objectives with the interests of the Corporation's stakeholders. Fundamentally, the Corporation is focused on increasing value for its shareholders, and has strived to implement compensation practices that are aligned with that goal. In 2017, the Corporation implemented a revised executive compensation program, which included set benchmarks and evaluation of the risks associated with such compensation program.

The NEO's compensation program for the most recently completed fiscal year consisted of three main components, each designed to achieve a distinct objective:

- (i) *Base Salary and Benefits* – provides regular competitive compensation for services rendered at a level commensurate with their skills, experience and duties, competitive with industry comparables.
- (ii) *Performance-Based Bonus Incentives* – are intended to serve as a reward for the achieving or surpassing of defined financial and business operating results.
- (iii) *Equity-Based Incentives*– provides alignment for the NEOs with the Corporation's long-term objectives and value created for shareholders.

The Corporation aims to remunerate executives fairly and at a level that is consistent with the median of the marketplace. To assist in this process, the CGCC has defined a peer-benchmarking group of companies to provide comparative data. Pay levels are not solely based on the peer group and market data, as the CGCC takes a holistic approach to evaluating and setting compensation annually (i.e. reviewing and considering both internal and external items). The Corporation's peer benchmarking group for 2017 is identified below and it was selected on a series of criteria including:

- Companies of a fairly similar size to the Corporation, taking into consideration market capitalization, total revenue and total assets;
- The Corporation's projected growth plans when considering comparator size;
- Companies that operate primarily in the consumer finance and/or transaction processing services industries;
- Companies with a similar business strategy and scope of operations to the Corporation; and,
- Companies that operate primarily in the Canadian marketplace but some, which operate in the USA, provided the peer was comparable from a size and business operations perspective.

In addition to the 2017 peer group, a secondary data cut of Canadian general industry of similar size was also included.

Determination of Compensation of Executive Officers

Base Salary

The CGCC and the Board approve the salary ranges for the NEOs. The base salary for each NEO is based on assessment of factors such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance. The Corporation considers market conditions, comparable compensation levels from peers and financial results in determining the base salary.

Performance-Based Incentives

The Corporation, in its discretion, may award performance-based incentives in order to motivate executives to achieve corporate goals. The CGCC and the Board approve all performance-based incentives.

The success of NEOs in achieving their individual objectives and their contribution to the Corporation in reaching its overall goals are factors in the determination of their performance-based incentives. This assessment is used by the CGCC in developing its recommendations to the Board with respect to the determination of performance-based incentives.

The performance-based incentives are based on achievement of various short-term corporate performance goals and the short-term individual performance goals as noted below, all at the discretion of the CGCC and Board.

- Contribution to the profitability of the Corporation;
- Contribution to new business development;
- Contribution to investment performance;
- Contribution to growth and prosperity of the Corporation; and
- Contribution to the Corporation as a whole.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day-to-day corporate activities, may trigger the award of a bonus payment to the NEO as determined by

the Board upon the recommendation of the CGCC. The NEO will receive a partial or full incentive payment depending on the number of the predetermined targets met and the CGCC's and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board. The Board reserves the right to make positive or negative adjustments to any bonus payment recommendation if they consider them appropriate.

For the 2017 fiscal year, the CGCC evolved the performance-based incentives payable to align annual at risk compensation with the achievement of corporate and individual performance goals as noted below. While the CGCC still maintains discretion to modify a performance-based incentive, the performance measures being used are summarized below.

Performance Measure
Finance Receivable Portfolio
Gross Profit
Adjusted Profit (Loss)
SG&A Expenses to Revenue
Funding Capacity
Delinquency Ratio
Individual Leadership Goals

For the 2017 fiscal year, none of the corporate targets assigned with respect to the above noted performance measures were achieved and the Board determined that no performance-based incentive award payments would be paid to NEO's other than the Board, in its discretion, did award incentive compensation to Chris Alexander based on an assessment of his individual contributions to the Corporation. In addition, Roy Murzello's received incentive awards based on a contractual incentive formula established prior to the implementation of revised criteria in the 2017 fiscal year

Equity-Based Incentives

Equity-based incentives represent compensation that is "at risk" and may or may not be paid to the respective executive officer depending on: (i) whether the executive officer is able to meet or exceed his or her applicable performance targets; and (ii) whether the Corporation achieves its financial and business operating results. To date, no specific formulae have been developed to assign a specific weighting to each of these components. Instead, the Board considers each NEO's performance target and the Corporation's performance and assigns compensation based on this assessment and the recommendations of the CGCC. The Corporation's Omnibus Plan is used to provide share purchase options, performance share units, restricted share units and deferred share units (collectively, "Awards") which are granted in consideration of the level of responsibility of the executive as well as his or her impact and/or contribution to the longer-term operating performance of the Corporation. In determining the number of Awards to be granted to the executive officers, the CGCC and the Board takes the performance criteria outlined above as well as the number of options, if any, previously granted to each executive officer. Share and Option-based grants are established to ensure the interests of the executive officers are aligned with the interests of the Corporation's Shareholders. In setting or amending Awards granted under the Corporation's Omnibus Plan, the CGCC considers the recommendations from the executive officers and external advisors. Prior to the adoption of the Omnibus Plan, the 2017 Omnibus Plan, and in addition to the 2015 Stock Option Plan, the Corporation had established a cash-settled deferred share unit ("Cash-Settled DSU") plan whereby Cash-Settled DSUs can be granted to various individuals and are valued based on the underlying value of the Common Shares. Upon a DSU holder's relationship with the Corporation ceasing, the DSU holder would be entitled to a cash payment equal to the number of DSUs that had vested up to the date of termination multiplied by the price of the Common Shares on such date. No Common Shares could be issued under the existing plan. Both the

2015 Stock Option Plan and the Cash-Settled DSU Plan were superseded upon adoption of the 2017 Omnibus Plan.

Anti-Monetization

Pursuant to the Corporation's Insider Trading Policy, directors and executive officers of the Corporation are expressly prohibited from, directly or indirectly, undertaking any activities or engaging in trades in securities whereby the interests of such person making the trade are not aligned with those of the Corporation (or would raise a particular concern regarding the same), including, but not limited to, purchasing financial instruments that are designed to hedge or offset a decrease in the market value of the Corporation's Common Shares or other equity securities granted as compensation or otherwise held.

Pension Plan Benefits

The Corporation does not have a pension plan that provides for payments or benefits to the NEOs at, following, or in connection with retirement.

Termination and Change of Control Benefits and Management Contracts

The employment agreements that the Corporation has entered into with the NEOs may require the Corporation to make certain types of payments and provide certain types of benefits upon termination of employment of an NEO or change of control of the Corporation.

Dr. Small entered into an executive employment agreement with the Corporation dated June 15, 2016. If the employment of Dr. Small is terminated without just cause or in circumstances constituting constructive dismissal, then the Corporation must provide Dr. Small with i) a cash payment equal to two times his base compensation (including any short-term incentives, including equity based awards that vest within a year of date of grant), except in the first year of his agreement which shall be capped at nine months and ii) an aggregate bonus (including any long-term incentives, including equity based awards) for the year of termination, calculated as follows: (i) if the termination date occurs during the first nine months of a calendar year, a pro-rated amount equal to the aggregate bonuses paid to Dr. Small in the fiscal year prior to the Termination Date or (ii) if the termination date occurs during the last three months of a calendar year, a pro-rated amount equal to the amount payable to Dr. Small in the normal course. In such circumstances, Dr. Small would continue to participate in Dealnet's benefit plans (excluding disability coverage) in which Dr. Small participated on the date immediately preceding the date of termination of employment until the second anniversary of such date of termination of employment. If termination without just cause or circumstances constituting constructive dismissal occurred on December 31, 2017, Dr. Small would have been entitled to receive payments equal to an estimated \$750,478. In the event of a change of control and Dr. Small's employment is terminated without cause in the 12 months following a change of control, he would be entitled to the amounts outlined above, except that for his base compensation, he would be entitled to two and one half times rather than two times.

Mr. Houlden entered into an interim management agreement with the Corporation dated October 27, 2017. The agreement does not contain any termination or change of control provisions.

Mr. Leonard entered into an executive employment agreement with the Corporation dated October 15, 2015. This agreement provides that the Corporation may terminate Mr. Leonard without cause, within the first six months upon providing to him notice equal to the greater of: (i) two months, and after six months (ii) six months plus three additional months for every complete year of service with the Corporation to a maximum of 12 months' notice or pay in lieu of such notice. If termination without just cause occurred on December 31, 2017, Mr. Leonard would have been entitled to receive payments equal to an estimated \$300,000. Mr. Leonard's agreement does not contain any change of control provisions.

Mr. Alexander entered into an executive employment agreement with the Corporation dated November 1, 2015. This agreement provides that the Corporation may terminate Mr. Alexander without cause upon providing to him notice equal to the greater of: (i) nine months, and (ii) nine months plus one additional month for every complete year of service from August 1, 2015 with the Corporation to a maximum of 12 months' notice or pay in lieu of such notice. If termination without just cause occurred on December 31, 2017, Mr. Alexander would have been entitled to receive payments equal to an estimated \$183,333. Mr. Alexander's agreement does not contain any change of control provisions.

Compensation of Directors

In March 2017, the Board, upon the recommendation of the CGCC, and after receiving input from GGA, approved certain changes to the director compensation program for 2017. Upon the review, the Board adopted an updated Director Compensation Philosophy, which aimed to compensation the directors around the median of the peer group. The peer group was identical to the 2017 peer group used to evaluate the executive compensation and a secondary general Canadian industry data cut was also used for additional market context. The Board approved moving to a flat fee retainer structure, with the weight distributed between 60% in cash and 40% in an annual equity grant. Additional compensation above that of a board member will be awarded to the independent Lead Director. The Committee retainers for Chairs and members would also be granted to recognize the director's time and efforts. The Committee retainers would be awarded solely in cash. Additionally, the Board adopted a policy to allow a director in any given fiscal

year to elect to receive 100% of the director fees in equity grants. As well, the Board discussed the adoption of director share ownership requirements to be implemented in 2018.

During 2017, the Board and the Committees met for regularly scheduled meetings. In addition, the Board met numerous other times per year by phone or in person to discuss matters determined by the Executive Chair or the Lead Director of the Corporation to be of importance and/or relevance to the Board. Individual members of the Board's advice was solicited by the Chief Executive Officer and the Executive Chair of the Corporation on numerous occasions throughout the year as issues arose where individual members of the Board had certain levels of expertise.

An annual retainer and fees for Board and Committee service are paid on a quarterly basis to independent directors only. Directors are also reimbursed for reasonable expenses incurred to attend meetings and in the performance of their duties. During the financial year ended December 31, 2017, the fees paid to the Corporation's independent directors are described in the table below:

RETAINERS – BOARD	2017 ANNUAL RETAINERS AND FEES (\$)

STATEMENT OF CORPORATE GOVERNANCE MATTERS

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Corporation. National Policy 58-201 *Corporate Governance Guidelines* ("**NP 58-201**") establishes corporate governance guidelines, which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices, which both are in the interest of its Shareholders and contribute to effective and efficient decision-making.

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("**NI 58-101**"), the Corporation is required to disclose its corporate governance practices, as summarized below. The Board will continue to monitor such practices on an ongoing basis and, when necessary, implement such additional practices, as it deems appropriate.

Board of Directors

The Board currently comprises six directors: Ms. Joanne De Laurentiis and Messrs. Harold Bridge, Brent Houlden, John Radford, Mike Koshan and Richard Carl. At the Meeting the Shareholders will be asked to elect five directors to the Board. Except for Mr. John Radford, all of the aforementioned directors are proposed to be re-elected as directors at the Meeting.

NI 58-101 defines an "independent director" as a director who has no direct or indirect material relationship with the Corporation. A "material relationship" is in turn defined as a relationship, which could, in the view of the Board, be reasonably expected to interfere with such member's independent judgment.

Brent Houlden is not considered "independent" because of his current position as Chief Executive Officer of the Corporation. Michael Koshan is not considered "independent" because of his current position as Treasurer of the Corporation. The remaining directors standing for re-election are considered independent directors since they are independent of management and free from any material relationship with the Corporation and form a majority of the board. The basis for this determination is that, since the beginning of the year ended December 31, 2017, the independent directors have not worked for the Corporation, received remuneration from the Corporation (other than in the capacity as a director) or had material contracts with or material interests in the Corporation which could interfere with their ability to act with a view to the best interests of the Corporation. Mr. Harold Bridge acts as the Board's independent Chairman.

The Board believes that it functions independently of management. To enhance its ability to act independent of management, the members of the Board may meet in the absence of members of management and the non-independent directors or may excuse such persons from all or a portion of any meeting where a potential conflict of interest arises or where otherwise appropriate.

Other Reporting Issuer Directorships

Certain of the directors of the Corporation are also directors of other reporting issuers (or the equivalent). The following table sets forth such directors:

Name	Name of Reporting Issuer
Richard Carl	Hampton Financial Corp. (TSXV: HFC) Clearview Resources Ltd. (not listed)

Orientation and Continuing Education

Each new director is given an outline of the nature of the business of the Corporation, its corporate strategy and current issues within the Corporation. New directors are also required to meet with management of the Corporation to discuss and better understand the Corporation's business and are given the opportunity to meet with counsel to the Corporation to discuss their legal obligations as directors of the Corporation.

In addition, management of the Corporation takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies, which may affect the directors, officers and committee members of the Corporation as a whole. Any such changes or new requirements are then brought to the attention of the Corporation's directors either by way of director or committee meetings or by direct communications from management to the directors.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in the decision making of the Board in which the director has an interest as well as adherence to the standards contained in the Corporation's Code of Business Conduct and Ethics have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation. Further, the Corporation's auditors have full and unrestricted access to the audit committee of the Corporation (the "**Audit Committee**") at all times to discuss the audits of the Corporation's annual financial statements and any related findings as to the integrity of the financial reporting process.

Diversity

Even though the Board has not yet adopted a written policy relating to the identification and nomination of female directors or a formal diversity policy, the Board, through its direction to management, continues to generally promote diversity in the workplace. The Corporation respects and values differences in gender, age, ethnic origin, religion, education, sexual orientation, political belief or disability. The Corporation recognizes the benefits arising from Board, management and employee diversity, including broadening the Corporation's skill sets and experience, accessing different outlooks and perspectives and benefiting from all available talent.

The Board is committed to fostering a diverse workplace environment where:

- individual differences and opinions are heard and respected;
- employment opportunities are based on the qualifications required for a particular position at a particular time, including training, experience, performance, skill and merit; and
- inappropriate attitudes, behaviors, actions and stereotypes are not tolerated and will be addressed and eliminated.

The Board monitors the Corporation's adherence to these principles. Consistent with these principles, as of December 31, 2017 the Board had one female director and has included one female director on the Directors slate for election at the Meeting. Directors are recruited and promoted based upon their qualifications, abilities and contributions.

The Corporation has two female executives and further benefits from the distinguished service of women in senior management at the vice president and director level (management position as opposed to a member of the Board). The Corporation has not adopted any targets for the number of woman in executive officer positions, but intends to seek to have at least one female candidate for any new executive officer position. Executive officers will be recruited and promoted based upon their qualifications, abilities and contributions.

Assessment of Board Performance

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees.

Compensation and Corporate Governance Committee

The Corporation has established the CGCC. Following the Meeting, it is proposed that the committee will be comprised of the following directors: Richard Carl, Joanne De Laurentiis and Harold Bridge, all of whom are independent of management as defined by NI 58-101. Following the Meeting, it is anticipated that Joanne De Laurentiis will serve as committee chair. Prior to the Meeting, the members of the committee were John Radford (chair), Joanne De Laurentiis and Richard Carl. The CGCC meets at least three times annually and is responsible for making recommendations to the Board regarding: (a) Chief Executive Officer compensation; (b) compensation of other executives and directors; (c) incentive compensation plans; and (d) employment agreements, severance agreements, retirement agreements, change in control agreements and provisions, and any special or supplemental benefits for each officer of the Corporation. The Board then determines whether to adopt such recommendations as submitted or otherwise.

The CGCC is also responsible for: (a) reviewing the Board's Corporate Governance guidelines and all Committee's Charters to ensure that they are consistent with sound governance principles, and recommending any proposed changes to the Board for approval; (b) developing, and periodically updating, a Code of Business Ethics (the "**Code**") for approval by the Board, and ensuring that management has established a system to disseminate and monitor compliance of the Code and is enforcing its application; (c) in consultation with the Audit Committee, monitoring and reviewing the Corporation's policies and procedures relating to compliance with laws and regulations and its Code; (d) considering what competencies and skills the Board, as a whole, should possess and seeking individuals qualified to become board members, including evaluating persons suggested by Shareholders or others; (e) recommending to the Board the director nominees for the next annual meeting of Shareholders; (f) evaluating and recommending to the Board when new members should be added to the Board, including factors of structure, size and composition of the Board and its committees; (g) reviewing the composition of each Board committee and presenting recommendations for committee memberships and committee chairmanships to the Board as needed; (h) developing and overseeing the annual performance assessment process for the Board and each Committee of the Board; and (i) reporting regularly to the Board on the CGCC's activities and actions, as appropriate.

Credit and Risk Committee ("CRC")

The Corporation has established the CRC. Following the Meeting, it is proposed that the committee will consist of the following directors: Harold Bridge, Richard Carl, and Joanne De Laurentiis, all of whom are

independent of management as defined by NI 58-101. Harold Bridge serves as committee chair. Prior to the Meeting, the members of the committee were Harold Bridge (chair), Richard Carl and John Radford. The CRC meets at least quarterly and is responsible for reporting to and assisting the Board in overseeing and reviewing information regarding the Corporation's credit and risk management framework, including the significant policies, procedures and practices employed to manage credit and risk.

Specifically, the CRC is responsible for review and assessment of the effectiveness of and compliance with the Corporation's asset and liability management policies (interest rate and market risk, liquidity, investment, hedging, cash management and treasury policies and/or strategies). The CRC reviews the quality of the Corporation's investment portfolio, oversees the Corporation's credit practices, policies and procedures; and monitors the Corporation's funding portfolio and any unfunded loan positions, taking into account existing and expected market and economic trends. In addition, the CRC assesses any issues related to the reputational risk of the Corporation and considers the additional risk of any significant mergers and acquisition activities.

Audit Committee

Following the Meeting, it is proposed that the members of the Audit Committee will be: Harold Bridge (chair), Joanne De Laurentiis, and Richard Carl, all of whom are financially literate and independent (as such terms are defined in National Instrument 52-110 *Audit Committees* ("**NI 52-110**")), and all of whom are not Officers, employees or Control Persons of the Corporation or any of its Associates or Affiliates as such capitalized terms are defined in TSXV policies. Prior to the Meeting, the members of the committee were Harold Bridge (chair), Joanne De Laurentiis and Richard Carl. The Corporation satisfies the financial literacy and independence requirements of Part 3 of NI 52-110.

The Audit Committee is responsible for the Corporation's financial reporting process and the quality of its financial reporting. In addition to its other duties, the Audit Committee reviews all financial statements, annual and interim, intended for circulation among Shareholders and reports upon these to the Board. In addition, the Board may refer to the Audit Committee other matters and questions relating to the financial position of the Corporation. In performing its duties, the Audit Committee maintains effective working relationships with the Board, management and the external auditors and monitors independence of those auditors. The Audit Committee has formally adopted an Audit Committee charter, which sets forth purposes of the Audit Committee and guidelines for its practices.

Additional information on the Audit Committee is set forth below.

The Corporation's Audit Committee Mandate sets out its responsibilities and duties, membership qualifications and procedures for reporting to the Board. - (iii) **PSU Service Year.** At the time of grant of a Performance Share Unit, the Board shall specify the year of service of the Participant in respect of which the Performance Share Unit is granted (the "**PSU Service Year**").
 - (iv) **Redemption of Performance Share Units.** Subject to the terms of Section 7 of the Plan, after any Performance Share Units become Vested Performance Share Units, on the date which is three years following the end of the relevant PSU Service Year, or such other date determined by the Board, in its sole discretion (the "**Performance Share Unit Redemption Date**"), such Vested Performance Share Units shall be redeemed and, subject to Section 9(1), one Share shall be issued from the treasury of the Corporation to the Participant or the Participant's Beneficiary, as applicable, for each such Vested Performance Share Units.
 - (v) **Blackout Restriction Periods.** If the Performance Share Unit Redemption Date for a Performance Share Unit occurs during a Blackout Restriction Period applicable to the relevant Participant, or within 10 business days after the expiry of a Blackout Restriction Period applicable to the relevant Participant, then the Performance Share Unit Redemption Date for that Performance Share Unit shall be the date that is the 10th business day after the expiry date of the Blackout Restriction Period. This Section 6(c)(v) applies to all Performance Share Units outstanding under the Plan.
 - (vi) **Performance Criteria.** The Performance Share Units shall vest based in whole or in part on the Performance Criteria set forth in the applicable Award Agreement. Notwithstanding any other provision of the Plan, but subject to the limits described in Section 3 and 4 hereof and any other applicable requirements of the Principal Market or other regulatory authority, the Board reserves the right to make, in the applicable Award Agreement or otherwise, any additional adjustments to the number of Shares to be issued pursuant to any Performance Share Units if, in the sole discretion of the Board, such adjustments are appropriate in the circumstances having regard to the principal purposes of the Plan.
- (d) **Deferred Share Units.** The Board may grant to eligible Participants Deferred Share Units, which may have all of the rights and restrictions that may be applicable to Restricted Share Units or Performance Share Units, except that the Deferred Share Units may not be redeemed until the Participant has ceased to hold all offices, employment and directorships with the Corporation and all affiliates (within the meaning of that term in para. 8 of Interpretation Bulletin IT-337R4, Retiring Allowances [Consolidated], or any successor publication thereto) of the Corporation.
- (i) **Award Agreement.** Each Deferred Share Unit shall be evidenced by an Award Agreement containing the applicable terms and conditions required in the Plan and such other terms and conditions not inconsistent with the Plan as the Corporation, in its sole discretion, may deem appropriate.
 - (ii) **Deferred Share Unit Account.** An Account, to be known as a "**Deferred Share Unit Account**" shall be maintained by the Corporation for each Participant. On the date of grant, the Account will be credited with the Deferred Share Units granted to a Participant on that date and all such Deferred Share Units shall immediately be Vested Deferred Share Units.

- (iii) ***No Payment until Cessation of Employment.*** Notwithstanding any other provision of the Plan, no payment shall be made in respect of a Deferred Share Unit until after the earliest time of: (i) the Participant's death; or (ii) the latest time that the Participant ceases to be an employee, officer or director of the Corporation or any affiliate (within the meaning of that term in para. 8 of Interpretation Bulletin IT-337R4, Retiring Allowances [Consolidated], or any successor publication thereto) of the Corporation (such time is referred to as the "**Triggering Event**").
- (iv) ***Redemption of Deferred Share Units.*** After the occurrence of a Triggering Event in respect of a Participant, on December 15 of the calendar year commencing immediately after the date of the Triggering Event, or such other date determined by the Board, in its sole discretion (the "**Deferred Share Unit Redemption Date**"), the Vested Deferred Share Units credited to the Participant's Deferred Share Unit Account shall be redeemed and, subject to Section 9(1), one Share shall be issued from treasury of the Corporation to the Participant or the Participant's Beneficiary, as applicable, for each of such Vested Deferred Share Units. All payments in respect of a Deferred Share Unit shall, subject to Section 6(d)(v), be made no later than December 31st of the year commencing immediately after the occurrence of the Triggering Event.
- (v) ***Blackout Restriction Periods.*** If the Deferred Share Unit Redemption Date for a Deferred Share Unit occurs during a Blackout Restriction Period applicable to the relevant Participant, or within 10 business days after the expiry of a Blackout Restriction Period applicable to the relevant Participant, then the Deferred Share Unit Redemption Date for that Deferred Share Unit shall be the date that is the 10th business day after the expiry date of the Blackout Restriction Period. This Section 6(d)(v) applies to all Deferred Share Units outstanding under the Plan.
- (vi) ***Conversion of Compensation into Deferred Share Units.*** Subject to such rules, regulations and conditions as the Board, in its sole discretion, may impose, a Participant may elect, irrevocably, no later than December 15th of the calendar year preceding the year in which the election is to be effective, to have all or a portion of his ordinary cash compensation (the "**Participant Compensation**") to be paid by his Employer to such Participant for services to be performed in the calendar year following the date of the election, satisfied by way of Deferred Share Units credited to his Deferred Share Unit Account (with the remainder to be received in cash), by completing and delivering to the Corporation an initial written election, in such form as may be approved by the Board. Such election shall set out the percentage of such Participant's compensation that the Participant wishes to be satisfied in the form of Deferred Share Units (with the remaining percentage to be paid in cash), within the limitations of this Section 6(d)(vi), for the calendar year for which the election is made and for subsequent years unless the Participant amends his election pursuant to this Section 6(d)(vi). All Deferred Share Units granted pursuant to an election under this Section 6(d)(vi) shall be immediately Vested Deferred Share Units.
 - (A) A Participant may initiate or change the percentage of his Participant Compensation to be satisfied in the form of Deferred Share Units for any subsequent calendar year by completing and delivering to the Corporation a new written election no later than December 15 of the calendar year

immediately preceding the calendar year to which the Participant Compensation relates.

- (B) Notwithstanding anything in this Section 6(d)(vi), an election can only be made during the time periods prescribed by the Board or otherwise in accordance with Corporation policy; provided that no election will be permitted to be made or altered after December 31st of the calendar year immediately preceding the year in which the election is to be effective.
 - (C) Any election made by a Participant under this Section 6(d)(vi) shall designate the percentage, if any, of the Participant Compensation that is to be satisfied in the form of Deferred Share Units, all such designations to be in increments of five percent (5%).
 - (D) A Participant's election received by the Corporation under this Section 6(d)(vi) shall be irrevocable and shall continue to apply with respect to his Participant Compensation for any subsequent calendar year unless the Participant amends his election under this Section 6(d)(vi).
 - (E) Where there is no election that complies with this Section 6(d)(vi) in effect for a Participant for a particular calendar year, such Participant shall be deemed to have elected to receive his Participant Compensation for the applicable calendar year in cash.
- (e) **Dividend-Equivalent Rights.** The Board may grant to eligible Participants the rights described below as Dividend-Equivalent Rights.
- (i) Unless otherwise determined by the Board in its sole discretion or as may otherwise be set out in the applicable Award Agreement, on the payment date for cash dividends paid on Shares (the "**Dividend Payment Date**"), each Participant's Restricted Share Unit Account, Performance Share Unit Account and/or Deferred Share Unit Account, as applicable, shall be credited with additional Restricted Share Units, Performance Share Units or Deferred Share Units, as applicable, in respect of Restricted Share Units, Performance Share Units or Deferred Share Units, as applicable, credited to and outstanding in the Participant's Account(s) as of the record date for payment of such dividends (the "**Dividend Record Date**"). The number of such additional Restricted Share Units, Performance Share Units or Deferred Share Units, as applicable, to be credited to the Participant's Account(s) will be calculated (to two decimal places) by dividing the total amount of the dividends that would have been paid to such Participant if the Restricted Share Units, Performance Share Units or Deferred Share Units, as applicable, in the Participant's Account (including fractions thereof), as of the Dividend Record Date, were Shares, by the Fair Market Value of a Share on the Dividend Payment Date. The terms and conditions of any such additional Restricted Share Units, Performance Share Units or Deferred Share Units shall be identical to the underlying Restricted Share Units, Performance Share Units or Deferred Share Units held by such Participant.
 - (ii) Notwithstanding anything else in this Section 6(e), no additional Restricted Share Units, Performance Share Units or Deferred Share Units will be credited or granted

pursuant to this Section 6(e) where the Dividend Record Date relating to dividends falls after the Participant ceases to be a Service Provider.

- (f) **Vesting.** Notwithstanding any other provisions of the Plan Awards granted to persons retained to provide IR Activities shall vest at least over a period of twelve (12) months from the Effective Date, with no more than one quarter (1/4) of such Awards vesting in any three (3) month period therein. The Board may impose such other restrictions or limitations or requirements upon the exercise of Awards as the Board, in its sole and absolute discretion, may determine on the date of grant.

7. Cessation of Employment and Forfeitures

Except as otherwise provided in the applicable Award Agreement or a written employment contract between the Corporation and a Participant, and subject to any express resolution passed by the Board or exercise of discretion by the Board, and further subject to the conditions that no Option may be exercised in whole or in part after the expiration of the period specified in the applicable Award Agreement and that no redemption can be made in respect of a Restricted Share Unit, Performance Share Unit or Deferred Share Unit other than during the time periods specified in Sections 6(b), 6(c) and 6(d) of the Plan:

- (a) if, prior to the expiry of any Options, a Participant ceases to be a Service Provider:
- (i) by reason of the death or long term disability (as reasonably determined by the Corporation) of such Participant, then:
 - (A) all outstanding unvested Options granted to such Participant shall immediately and automatically terminate other than those Options which would have vested within the one year period following the date of such termination if such termination had not occurred, which Options shall for this purpose be deemed to be vested upon such termination; and
 - (B) only such Participant or the person or persons to whom such Participant's rights under the Options pass by such Participant's will or applicable law shall have the right to exercise part or all of such Participant's outstanding and vested Options (including, for greater certainty, any Options which are deemed to vest in accordance with Section 7(a)(i)(A) at any time up to and including (but not after) the earlier of: (i) the date which is ninety (90) days following the date of death or long term disability (as reasonably determined by the Corporation) of such Participant; or (ii) the Expiry Date(s) of such Options unless otherwise determined by the Board at its discretion (provided, however, that no options shall remain exercisable for more than twelve (12) months following the Termination Date);
 - (ii) by reason of termination for lawful cause or where a consulting arrangement is terminated for breach of the agreement then all options, whether vested or unvested, granted to a Participant shall, unless otherwise provided, immediately and automatically terminate on the Termination Date unless otherwise determined by the Board at its discretion (provided, however, that no options shall remain exercisable for more than twelve (12) months following the Termination Date); or
 - (iii) for any reason, other than as provided in Section 7(a)(i) or 7(a)(ii), then:

- (A) all outstanding unvested Options granted to such Participant shall, unless otherwise provided, immediately and automatically terminate; and
 - (B) such Participant shall have the right to exercise part or all of his or her outstanding vested Options at any time up to and including (but not after) the earlier of: (i) the date which is ninety (90) days following the date of such termination, resignation or cessation of employment; and (ii) the Expiry Date(s) of the vested Option unless otherwise determined by the Board at its discretion (provided, however, that no options shall remain exercisable for more than twelve (12) months following the Termination Date); and
- (b) if, prior to the Redemption Date of any Performance Share Units or any Restricted Share Units, a Participant ceases to be a Service Provider:
- (i) for any reason whatsoever including, without limitation, termination of his employment by his employer for cause or voluntary resignation, but excluding the circumstances described in Sections 7(b)(ii) and 7(b)(iii), all Performance Share Units and all Restricted Share Units of such Participant shall be immediately forfeited upon such event, all rights of the Participant under the Plan shall terminate and no cash shall be payable at any time in lieu of such forfeited Performance Share Units and Restricted Share Units;
 - (ii) by reason of death, long term disability, retirement from active employment (as reasonably determined by the Corporation) or for any other reason as may be specifically approved by the Board, other than for the reasons set forth in Sections 7(b)(i) and 7(b)(iii), the Plan in all respects shall continue with respect to such Participant's Performance Share Units and Restricted Share Units and the Participant, or the person or persons to whom the Performance Share Units and Restricted Share Units pass by the Participant's will or applicable law shall be entitled to redeem and receive payment for such Performance Share Units and Restricted Share Units that such Participant is entitled to on each applicable Redemption Date in accordance with the terms of the Plan; or
 - (iii) by reason of termination of his employment without cause then the Participant shall be entitled to redeem and receive payment for each Performance Share Unit and each Restricted Share Unit that such Participant would be entitled to on each applicable Redemption Date in accordance with the terms of the Plan provided that:
 - (A) in respect of each such Performance Share Unit, the Performance Share Unit Redemption Date falls within the notice period provided to such Participant, as set forth by the Corporation, upon termination of his employment and, if the Performance Share Unit Redemption Date falls after completion of the notice period provided in connection with such termination of employment, then such Performance Share Unit of such Participant shall be immediately forfeited upon such event and all rights of the Participant under the Plan relating thereto shall terminate; and
 - (B) in respect of each such Restricted Share Unit, the Restricted Share Unit Redemption Date falls within the notice period provided to such

Participant, as set forth by the Corporation, upon termination of his employment and, if the Restricted Share Unit Redemption Date falls after completion of the notice period provided in connection with such termination of employment, then such Restricted Share Unit of such Participant shall be immediately forfeited upon such event and all rights of the Participant under the Plan relating thereto shall terminate;

- (c) subject to the other paragraphs in this Section 7, if the relationship of the Participant is terminated for any reason prior to the expiry of an Option or prior to the Redemption Date of any Performance Share Unit or Restricted Share Unit, whether or not such termination is with or without notice, adequate notice or legal notice or is with or without legal or just cause, the Participant's rights shall be strictly limited to those provided for in this Section 7, or as otherwise provided in the applicable Award Agreement or written employment contract between the Participant and the Corporation, and, without limiting the generality of the foregoing, in the event that an Option is not vested and exercised prior to the applicable deadline in Section 7(a) or a Performance Share Unit or Restricted Share Unit is not vested and redeemed prior to the applicable deadline in Section 7(b), such Award shall be forfeited and all rights of the Participant under the Plan to such Award shall terminate immediately after the deadline has passed and no cash shall be payable at any time in lieu of such forfeited Award. Unless otherwise specifically provided in writing, the Participant shall have no claim to or in respect of any Award which may have or would have vested had due notice of termination of employment been given nor shall the Participant have any entitlement to damages or other compensation in respect of any Award or loss of profit or opportunity which may have or would have vested or accrued to the Participant if such wrongful termination or dismissal had not occurred or if due notice of termination had been given. This provision shall be without prejudice to the Participant's rights to seek compensation for lost employment income or lost employment benefits (other than those accruing under or in respect of the Plan) in the event of any alleged wrongful termination or dismissal;
- (d) the transfer of a Service Provider from the Corporation to a subsidiary, from a subsidiary to the Corporation or from one subsidiary to another subsidiary, shall not be considered a cessation of employment or services, nor shall it be considered a cessation of employment if an Employee is placed on such other leave of absence or transition arrangement which is considered by the Corporation as continuing intact the employment relationship for the same period. In the case of a leave of absence or transition arrangement, the employment relationship shall be continued until the date when an Employee's right to employment with the Corporation or a subsidiary is terminated by operation of law or by contract, except that in the event the Employee chooses not to renew active employment at the end of any leave of absence or transition arrangement, the employment relationship shall be deemed to have ceased at the beginning of the leave of absence or transition arrangement.

8. **Amendments and Adjustments**

Except to the extent prohibited by applicable law and unless otherwise expressly provided in an Award Agreement or in the Plan:

- (a) **Amendments to the Plan.** Subject to the requirements of applicable law, rules and regulations, the Board may amend, alter, suspend, discontinue, or terminate the Plan without the consent of any Shareholder, Participant, other holder or Beneficiary of an Award, or other Person; provided, however, that, subject to the Corporation's rights to

adjust Awards under Sections 8(c) and (d), any amendment, alteration, suspension, discontinuation, or termination that would impair the rights of any Participant or holder or Beneficiary of any Award previously granted, will not to that extent be effective without the consent of the Participant or holder or Beneficiary of an Award, as the case may be, such consent not to be unreasonably withheld; and provided further, however, that notwithstanding any other provision of the Plan or any Award Agreement, without the approval of the Shareholders, no amendment, alteration, suspension, discontinuation, or termination will be made that would:

- (i) increase the total number of Shares available for Awards under the Plan, except as provided in Section 4;
- (ii) reduce the exercise price or extend the term of any Award;
- (iii) have the effect of cancelling any Awards and concurrently reissuing such Awards on different terms;
- (iv) remove or exceed the insider participation limits in Sections 4(b)(ii) and 4(b)(iii);
- (v) increase limits imposed on the participation of directors that are not officers or employees of the Corporation;
- (vi) otherwise cause the Plan to cease to comply with any tax or regulatory requirement, including for these purposes any approval or other requirement;
- (vii) have the effect of amending this Section 8(a);
- (viii) modify or amend the provisions of the Plan in any manner which would permit Awards, including those previously granted, to be transferable or assignable in a manner otherwise than as provided for by Section 9(e); or
- (ix) change the eligible Service Providers under the Plan which would have the potential of broadening or increasing insider participation.

Without limitation to the generality of the foregoing, Shareholder approval will not be required for any of the following types of amendments:

- (x) amendments of a "housekeeping" nature; or
 - (xi) a change to the termination provisions of Options which does not entail an extension beyond the original Expiry Date.
- (b) **Amendments to Awards.** The Board may waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any Award previously granted, prospectively or retroactively; provided, however, that, subject to the Corporation's rights to adjust Awards under Sections 8(c) and (d), any amendment, alteration, suspension, discontinuation, cancellation or termination that would impair the rights of any Participant or holder or Beneficiary of any Award previously granted, will not to that extent be effective without the consent of the Participant or holder or Beneficiary of an Award, as the case may be.

- (c) **Adjustment of Awards upon Certain Acquisitions.** In the event the Corporation or any Affiliate assumes outstanding employee awards or the right or obligation to make future awards in connection with the acquisition of another business or another corporation or business entity, the Board may, subject to, if applicable, approval of the Principal Market, make any adjustments, not inconsistent with the terms of the Plan, in the terms of Awards as it deems appropriate in order to achieve reasonable comparability or other equitable relationship between the assumed awards and the Awards granted under the Plan as so adjusted.
- (d) **Adjustments of Awards upon the Occurrence of Certain Unusual or Nonrecurring Events.** Subject to, if applicable, approval of the Principal Market, the Board is hereby authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or non-recurring events (including, without limitation, the events described in Sections 4(c) and 4(d)) affecting the Corporation, any affiliate, or the financial statements of the Corporation or any affiliate, or of changes in applicable laws, regulations, or accounting principles, whenever the Board determines that those adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

9. General Provisions

- (a) **Acceleration.** Notwithstanding anything else herein contained, the Board may, in its sole discretion, at any time permit the acceleration of vesting of any or all Awards.
- (b) **No Cash Consideration for Awards.** Awards may be granted for no cash consideration or for such minimal cash consideration as may be required by applicable law.
- (c) **Awards May Be Granted Separately or Together.** Awards may, in the discretion of the Board, be granted either alone or in addition to, in tandem with, or in substitution for any other Award. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.
- (d) **Forms of Payment under Awards.** Subject to the terms of the Plan and of any applicable Award Agreement, payments or transfers to be made by the Corporation or an Affiliate upon the grant, exercise, surrender, redemption, payment or settlement of an Award may be made in such form or forms as the Board will determine, including, without limitation, cash, Shares, other securities, other Awards, or other property, or any combination thereof and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case in accordance with rules and procedures established by the Board. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments.

The Board may provide for financing broker dealers (including payment by the Corporation of commissions) and may establish procedures (including broker dealer assisted cashless exercise) for payment of Applicable Withholding Taxes.

For greater certainty: (i) Awards that are specified in the applicable Award Agreement to be settled solely in cash shall not be an Award for the purposes of the calculations in Section 4(a)(ii); (ii) in the case of an Award Agreement that is amended by the Corporation (and, if applicable, the Participant) in accordance with the Plan and the Award Agreement to provide for settlement of some or all of the applicable Award in cash, the Award subject

to such amendment shall cease to be an Award for the purposes of the calculations in Section 4(a)(ii) and the Reserve will be increased by the number of Awards that are the subject of such amendment; and (iii) in the case of an Award Agreement that is amended by the Corporation (and, if applicable, the Participant) in accordance with the Plan and the Award Agreement to provide for settlement of some or all of the applicable Award in Shares, the Reserve will be decreased by the number of Awards that are the subject of such amendment. Unless otherwise determined in the applicable Award Agreement, in the circumstances set out in (i) and (ii) above, all other terms of the Plan and the Award Agreement shall be interpreted to refer to the settlement of the applicable Award in cash in lieu of Shares.

- (e) **Recoupment.** In situations where: (i) the Award received by a Participant or former Participant was calculated based or contingent upon the achievement of certain financial results that were subsequently the subject of or affected by a material restatement of all or a portion of the Corporation's financial statements for any reason other than a change in accounting policy with retroactive effect; and (ii) the Participant or former Participant failed to comply with the Corporation's internal policies or engaged in intentional misconduct, gross negligence or fraud that in the Board's opinion caused, or potentially caused, the need for the restatement; and (iii) the Award received would have been lower had the financial results been properly reported, then the Board may, to the extent permitted by applicable laws and to the extent it determines it is in the Corporation's best interest to do so, require reimbursement of all or any portion, as may be determined by the Board after a review of all relevant facts and circumstances, of an Award(s) received, Shares issued upon exercise of an Option or payment made pursuant to a redemption of a Share Unit by a Participant or former Participant within 36 months of the date of the restatement.
- (f) **Limits on Transfer of Awards.**
 - (i) No Award, and no right under any such Award, may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant otherwise than by will, by the laws of descent or by the designation of a Beneficiary by a Participant and any such purported assignment, alienation, pledge, attachment, sale or other transfer or encumbrance will be void and unenforceable against the Corporation or any Affiliate.
 - (ii) Each Award, and each right under any Award, will be exercisable during the Participant's lifetime only by the Participant or, if permissible under applicable law, by the Participant's guardian or legal representative.
- (g) **Terms of Awards.** Subject to the terms of the Plan, the term of each Award will be for such period as may be determined by the Board; provided, however, that the term of any Award of Options shall not exceed a period of five years from the date of its grant.
- (h) **Share Certificates.** All certificates for Shares delivered under the Plan pursuant to any Award or the grant, exercise, surrender, redemption, payment or settlement thereof will be subject to any stop transfer orders and other restrictions as the Board may deem advisable under the Plan or the rules, regulations, and other requirements of Canadian securities regulators, the securities and exchange commission, any stock exchange upon which such Shares are then listed, and any applicable federal, state, provincial or territorial securities laws, and the Board may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

- (i) **Delivery of Shares or Other Securities and Payment by Participant of Consideration.** No Shares or other securities will be delivered pursuant to any Award until payment in full of any amount required to be paid pursuant to the Plan or the applicable Award Agreement is received by the Corporation. Such payment may be made by such method or methods and in such form or forms as the Board will determine, including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof; provided that the combined value, as determined by the Board, of all cash and cash equivalents and the Fair Market Value of any such Shares or other property so tendered to the Corporation, as of the date of such tender, is at least equal to the full amount required to be paid pursuant to the Plan or the applicable Award Agreement to the Corporation.
- (j) **No Shareholder Rights.** Under no circumstances shall Options, Restricted Share Units, Performance Share Units, Deferred Share Units, Dividend-Equivalent Rights or any other Award made under the Plan be considered Shares or other securities of the Corporation, nor shall they entitle any Participant to exercise voting rights or any other rights attaching to the ownership of Shares or other securities of the Corporation, including, without limitation, voting rights, entitlement to receive dividends or other distributions or rights on liquidation, nor shall any Participant be considered the owner of Shares by virtue of any Award.
- (k) **No Right to Awards.** No Participant or other Person will have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Participants, or holders or Beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to each recipient.
- (l) **Taxes and other Withholdings.**
 - (i) Neither the Corporation nor any Affiliate is liable for any tax or other liabilities or consequences imposed on any Participant (or any Beneficiary) as a result of the granting or crediting, holding, exercise, surrender or redemption of any Awards under this Plan, whether or not such costs are the primary responsibility of the Corporation or Affiliate. It is the responsibility of the Participant (or Beneficiary) to complete and file any tax returns which may be required under any applicable tax laws within the period prescribed by such laws.
 - (ii) The Corporation or any Affiliate is authorized to deduct or withhold from any Award granted, from any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant such amount as may be necessary so as to ensure the Corporation and any Affiliate will be able to comply with the applicable provisions of any federal, provincial, state or local law relating to the withholding of tax or other required deductions (the "**Applicable Withholding Taxes**"), and to take any other action as may be necessary in the opinion of the Corporation or Affiliate, acting reasonably, to satisfy all obligations for the payment of those Applicable Withholding Taxes, including, for greater certainty, requiring a Participant, as a condition to the exercise or redemption of an Award, to pay or reimburse the Corporation or Affiliate, as applicable, for any Applicable Withholding Taxes. The Corporation or Affiliate may sell any Shares withheld, in such manner and on such terms as it deems appropriate, and shall apply the proceeds of such sale to the payment of Applicable Withholding Taxes or other amounts, and shall not be liable for any inadequacy or deficiency in the proceeds received or any amounts that would have

been received, had such Shares been sold in a different manner or on different terms.

- (m) **No Limit on Other Compensation Arrangements.** Nothing contained in the Plan will prevent the Corporation or any Affiliate from adopting or continuing in effect other or additional compensation arrangements, and those arrangements may be either generally applicable or applicable only in specific cases.
- (n) **Collection of Personal Information.** Each Participant shall provide the Corporation and the Board with all information they require in order to administer the Plan. The Corporation and the Board may from time to time transfer or provide access to such information to a third-party service provider for purposes of the administration of the Plan provided that such service providers will be provided with such information for the sole purpose of providing such services to the Corporation. By participating in the Plan, each Participant acknowledges that information may be so provided and agrees to its provision on the terms set forth herein. Except as specifically contemplated in this Section 9(n), the Corporation and the Board shall not disclose the personal information of a Participant except: (i) in response to regulatory filings or other requirements for the information by a governmental authority with jurisdiction over the Corporation; (ii) for the purpose of complying with a subpoena, warrant or other order by a court, person or body having jurisdiction to compel production of the information; or (iii) as otherwise required by law. In addition, personal information of Participants may be disclosed or transferred to another party during the course of, or completion of, a change in ownership of, or the grant of a security interest in, all or a part of the Corporation or its Affiliates including through an asset or share sale, or some other form of business combination, merger or joint venture, provided that such party is bound by appropriate agreements or obligations.
- (o) **No Right to Employment.** The grant of an Award will not be construed as giving a Participant the right to be retained in the employ, as an officer or director of the Corporation or any Affiliate. Further, the Corporation or an Affiliate may at any time dismiss a Participant from employment, as an officer or director, free from any liability, or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement.
- (p) **No Right to Consultancy.** The grant of an Award will not be construed as giving a Participant the right to be retained as an independent contractor of the Corporation or any Affiliate.
- (q) **Neutral Gender.** In this Plan, words importing the masculine gender include feminine and vice versa and words importing the singular include the plural and vice versa.
- (r) **Governing Law.** The validity, construction, and effect of the Plan and any rules and regulations relating to the Plan will be determined in accordance with the laws of the Province of Alberta and the federal laws of Canada applicable in Alberta.
- (s) **Severability.** If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or as to any Person or Award under any law deemed applicable by the Board, that provision will be construed or deemed amended to conform to applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Board, materially altering the intent of the Plan or the Award, that

provision will be stricken as to that jurisdiction, Person or Award and the remainder of the Plan and any such Award will remain in full force and effect.

- (t) **No Trust or Fund Created.** The Plan shall be unfunded in all respects. Neither the Plan nor any Award will create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Corporation or any Affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Corporation or any Affiliate pursuant to an Award, that right will be no greater than the right of any unsecured general creditor of the Corporation or any Affiliate.
- (u) **No Fractional Shares.** No fractional Shares will be issued or delivered pursuant to the Plan or any Award, and, except as otherwise provided, the Board will determine whether cash, other securities, or other property will be paid or transferred in lieu of any fractional Shares or whether those fractional Shares or any rights thereto will be canceled, terminated, or otherwise eliminated.
- (v) **Headings.** Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Those headings will not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision of the Plan.

10. **Effective Date of Plan**

The Plan is effective May 14, 2018.

SCHEDULE "A"**Dealnet Capital Corporation****Supplement to Omnibus Equity Incentive Plan for United States Participants**

1. **General.** This supplement (the "**Supplement**") to the Dealnet Capital Corporation Omnibus Equity Incentive Plan, as such plan may be amended from time to time (the "**Plan**") shall apply to Participants who are resident for tax purposes in the United States (the "**U.S. Participants**"). In the event of any inconsistency between the Plan and this Supplement, the terms and conditions of this Supplement shall control and govern Awards granted to U.S. Participants, except to the extent necessary to ensure that a U.S. Participant who is also subject to taxation under the Tax Act in respect of Awards granted under the Plan is not subject to material adverse tax consequences under the Tax Act. Capitalized terms not defined in this Supplement shall have the meaning given to such terms in the Plan, the terms and conditions of which are herein incorporated by reference.
2. **Governing Tax Law.** References in the Plan to Section 7 of the Tax Act shall not apply to any Award granted to a U.S. Participant. Awards granted to U.S. Participants generally shall be subject to the requirements of the Internal Revenue Code of 1986, as amended (the "**Code**").
3. **Award Agreement.** Unless otherwise determined by the Board, the Award Agreement evidencing an Award granted to a U.S. Participant shall set forth the terms, conditions and limitations for such Award, which may include the term of the Award, the provisions applicable in the event of the U.S. Participant's termination of service, and the Corporation's authority to unilaterally or bilaterally amend, modify, suspend, cancel or rescind an Award.
4. **Options.** At the time of grant, the Board shall specify in the Award Agreement evidencing an Option the vesting schedule and period during which such U.S. Participant has right to exercise the Option, in whole or in part, and the Board may determine that an Option may not be exercised in whole or in part for a specified period after it is granted. Such vesting may be based upon the U.S. Participant's duration of service to the Corporation or any Affiliate, Performance Criteria, individual performance or other specific criteria, in each case on a specified date or dates or over any period or periods, as determined by the Board. At any time after grant of an Option, the Board may, in its sole discretion, and subject to whatever terms and conditions it selects, accelerate the period during which an Option vests.
5. **Restricted Share Units.** At the time of grant, the Board shall specify in the Award Agreement evidencing a Restricted Share Unit Award the date or dates on which the Restricted Share Units shall become fully vested and non-forfeitable, and may specify such conditions to vesting as it deems appropriate, including, without limitation, vesting based upon the U.S. Participant's duration of service to the Corporation or any Affiliate, or other specific criteria, in each case on a specified date or dates or over any period or periods, as determined by the Board. At any time after grant of a Restricted Share Unit Award, the Board may, in its sole discretion, and subject to whatever terms and conditions it selects, accelerate the period during which a Restricted Share Unit Award vests.
6. **Performance Share Units.** At the time of grant, the Board shall specify in the Award Agreement evidencing a Performance Share Unit Award the date or dates on which the Performance Share Units shall become fully vested and non-forfeitable, and may specify such conditions to vesting as it deems appropriate, including, without limitation, vesting based upon the U.S. Participant's duration of service to the Corporation or any Affiliate, Performance Criteria, individual performance or other specific criteria, in each case on a specified date or dates or over any period or periods, as determined by the Board. At any time after grant of a Performance Share Unit Award,

the Board may, in its sole discretion, and subject to whatever terms and conditions it selects, accelerate the period during which a Performance Share Unit Award vests.

7. **Deferred Share Units.** At the time of grant, the Board shall specify in the Award Agreement evidencing a Deferred Share Unit Award the date or dates on which the Deferred Share Units shall become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate, including, without limitation, vesting based upon the U.S. Participant's duration of service to the Corporation or any Affiliate, Performance Criteria, individual performance or other specific criteria, in each case on a specified date or dates or over any period or periods, as determined by the Board. The Board shall also specify the terms and conditions relating to the deferral and distribution (redemption) of the Deferred Share Units, including, without limitation, the date(s) on which the Deferred Share Units shall be distributed (including whether such distribution dates shall be elected by the U.S. Participant), subject to the requirements of Section 409A of the Code.
8. **Dividend-Equivalent Rights.** To the extent that the Board determines to grant Dividend-Equivalent Rights, such dividend equivalents shall be converted to cash or additional Shares or Share units by such formula and at such time and subject to such restrictions and limitations as may be determined by the Board. Such Dividend-Equivalent Rights shall satisfy the requirements of Section 409A of the Code.
9. **Section 409A of the Code.** To the extent that the Board determines that any Award granted under the Plan is subject to Section 409A of the Code, the Award Agreement evidencing such Award shall incorporate the terms and conditions required by Section 409A of the Code. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code and United States Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the effective date of the Plan. Notwithstanding any provision of the Plan or any Award Agreement to the contrary, in the event that following the effective date the Board determines that any Award may be subject to Section 409A of the Code and related United States Department of Treasury guidance (including such United States Department of Treasury guidance as may be issued after the effective date of the Plan), the Board may adopt such amendments to the Plan and the applicable Award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Board determines are necessary or appropriate to (a) exempt the Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Award, or (b) comply with the requirements of Section 409A of the Code and related United States Department of Treasury guidance and thereby avoid the application of any penalty taxes under Section 409A of the Code.

SCHEDULE “B”

SUMMARY OF KEY TERMS OF THE SHAREHOLDER RIGHTS PLAN

This summary is qualified in its entirety by the full text of the Shareholder Rights Plan Agreement (the “Agreement”), a copy of which may be obtained from Dealnet Capital Corp. at 4 King Street West, Suite 1700, Toronto, ON M5H 1B6, attention: Chief Financial Officer. Capitalized terms used in this summary and not expressly defined, having the meanings ascribed to them in the Agreement.

1. Issuance of Rights

Upon obtaining all required approvals to the Rights Plan (the “**Rights Plan**”), including the approval of the board of directors of Dealnet Capital Corp. (the “**Corporation**”), the TSX Venture Exchange and a majority of the Independent Shareholders of the Corporation at the Meeting, the Corporation will confirm the Rights issued to all holders of the issued and outstanding Common Shares of the Corporation on the day that the Rights Plan became effective (the “**Implementation Date**”) on the basis of one Right for each Common Share held. In addition, each Common Share issued subsequent to the Implementation Date but prior to the earlier of the Separation Time and the Expiry Time will also have one Right attached to it.

2. Terms of the Rights Prior to a Flip-in Event

No Right is exercisable prior to the Separation Time. Following the Separation Time but prior to a Flip-in Event (as described in section 10 below) occurring, each Right will entitle the holder to acquire one Common Share at a price equal to three times the Market Price of the Common Shares at the Separation Time (the “**Exercise Price**”) subject to any adjustment in accordance with the anti-dilution provisions provided for in the Rights Plan. The Market Price is based upon the twenty-day average closing price of the Common Shares on the TSXV.

3. Terms of the Rights After a Flip-in Event

Following the occurrence of a Flip-in Event, each Right will entitle the holder to acquire that number of Common Shares equal to two times the Exercise Price divided by the Market Price at the time of the Flip-in Event. The result is that holders of the Rights will be able to acquire additional Common Shares at 50% of the Market Price at the time of a Flip-in Event.

4. Rights Certificates

Until the Separation Time, there will be no separate certificates or advices evidencing the Rights. Instead there will be a notation on all share certificates or advices issued following the Implementation Date indicating the existence of the Rights and the Rights will be transferred to any person acquiring the Common Shares to which those Rights are attached. Following the Separation Time, the Corporation will issue separate certificates (the “**Rights Certificates**”) evidencing the Rights. Rights Certificates will be mailed to the registered holders of the Common Shares at the Separation Time except for Rights registered in the name of an Acquiring Person and its associates or affiliates. The form of Rights Certificate is attached as an exhibit to the Agreement.

5. Trading of Rights

The Rights will not trade prior to the Separation Time. The Rights will be tradable following the Separation Time.

6. Rights Held by Non-Residents

The Corporation is not required to deliver Rights or Common Shares issuable on the exercise of Rights to any person resident outside of Canada where such issuance or delivery would violate the applicable laws of such jurisdiction. Shareholders not resident in Canada are urged to consult their advisors concerning their ability to hold and exercise Rights.

7. Separation Time

The Separation Time will occur at the close of business on the tenth Business Day following the earlier of: (i) the date on which the first public announcement by either the Corporation or an Acquiring Person that an Acquiring Person has acquired an interest in 20% of more of the outstanding Common Shares of the Corporation (the “**Stock Acquisition Date**”); and (ii) the date of the commencement of or announcement of the intent of any Person to commence a Take-Over Bid that does not meet the conditions necessary to be considered a Permitted Bid or a Competing Permitted Bid pursuant to the Rights Plan or ceases to meet those conditions. The Board of Directors of the Corporation has discretion to delay the Separation Time to any date it determines, acting in good faith. If a Take-Over Bid is withdrawn, terminated, cancelled or otherwise expires prior to the Separation Time, it will be deemed never to have been made.

8. Acquiring Person

An Acquiring Person is any Person who is the Beneficial Owner of at least 20% of the issued and outstanding Common Shares of the Corporation at any time. There are several categories of Persons who are expressly excluded from this definition including the Corporation and any of its subsidiaries. In addition, any Person who has Beneficial Ownership of more than 20% of the outstanding Common Shares of the Corporation as a result of Common Share Reductions, Permitted Bid Acquisitions, Exempt Acquisitions, Convertible Security Acquisitions and Pro Rata Acquisitions will not be considered to be an Acquiring Person unless such person acquires an additional 1% or more of the Common Shares of the Corporation other than by any of these exceptions.

A Common Share Reduction includes any transaction whereby the Corporation acquires or redeems its Common Shares.

A Permitted Bid Acquisition is any acquisition made pursuant to a Take-over Bid that meets the conditions of a Permitted Bid or a Competing Permitted Bid.

An Exempt Acquisition includes any acquisition in respect of which the board of directors of the Corporation has waived the application of the Rights Plan, any acquisition made prior to May 14, 2018 (which was the effective date of the original Shareholder Rights Plan), any acquisition made under a prospectus or private placement with the Corporation provided the acquirer does not participate to a greater extent than its pro rata entitlement, any acquisition made pursuant to a securities exchange take-over bid, or on the exercise of previously granted stock options or pursuant to an employee stock purchase plan where all required approvals have been obtained to the transaction and the acquirer does not own more than 25% of the outstanding Common Shares as a result of these transactions, and any acquisition made pursuant to an amalgamation, merger or other statutory arrangement procedure requiring shareholder approval.

A Convertible Security Acquisition includes any acquisition of Common Shares on the exercise of previously issued convertible securities of the Corporation issued as part of a Permitted Bid Acquisition, an Exempt Acquisition or a Pro Rata Acquisition.

A Pro Rata Acquisition includes acquisitions resulting from a stock dividend, stock split or other event where the acquirer receives securities of the Corporation on the same pro rata basis as all other holders of Common Shares, any acquisitions made pursuant to a Dividend Reinvestment Plan, any acquisitions made pursuant to a rights offering by the Corporation where the acquirer can only exercise rights acquired directly from the Corporation and does not participate in any additional subscription privilege, any acquisition made under a prospectus issued by the Corporation if the acquirer does not purchase a greater percentage of the

securities being offered then the percentage of Common Shares the acquirer holds in the Corporation immediately prior to the prospectus offering.

Other Persons excluded from the definition of an Acquiring Person include underwriters and members of a banking or selling group (as long as they are acting in such capacity) that acquire Common Shares in connection with a distribution of Common Shares by the Corporation, and Persons that own 20% of the outstanding Common Shares prior to the Implementation Date (unless such person ceases to own 20% or more of the outstanding Common Shares after the Implementation Date or becomes the beneficial owner of additional Common Shares in an amount greater than 1% of the number of Common Shares outstanding as at the Implementation Date).

9. Beneficial Ownership

A Person will be deemed to have Beneficial Ownership of Common Shares held directly and indirectly by that Person. The definition of Beneficial Ownership also includes Common Shares owned by certain other connected Persons, including affiliates (any entities that the Person controls, is controlled by, or is under common control with) and associates (spouses and relatives sharing the same residence). In addition, if the Person or its associates and affiliates have a Right to acquire additional Common Shares within 60 days of the date the calculation is being made, that Person will be deemed to have Beneficial Ownership of those Common Shares. Finally, a Person will be deemed to have Beneficial Ownership of Common Shares held by another Person with whom he or she is acting jointly or in concert.

Generally, institutional shareholders such as investment managers, trust companies, trustees of various pension funds or plans, statutory bodies that manage investments for employee benefit funds, employee benefit plans, pension plans, or insurance plans, crown agencies and managers or trustees of mutual funds will not be deemed to have Beneficial Ownership of Common Shares they hold in the course of their ordinary business activities and so long as none of these persons make or announce an intention to make a take-over bid for the Common Shares of the Corporation.

In addition, a Person who is a client of an investment manager, trust company or plan described in the paragraph above will not be deemed to have Beneficial Ownership of the Common Shares held by that institutional shareholder merely because of the client relationship.

Where a Take-over Bid is made and shareholders agree to deposit or tender their Common Shares to the Take-over Bid by entering into a lock-up agreement, the Person making the Take-over Bid will not be deemed to have Beneficial Ownership of those Common Shares until they are actually taken up and paid for pursuant to the Take-over Bid provided that the lock-up agreement is a Permitted Lock-Up Agreement. To be a Permitted Lock-Up Agreement, the terms of the lock-up agreement must be publicly disclosed and available to the public, shareholders entering into the lock-up agreement must have the right to withdraw their Common Shares to tender them to another Take-over Bid or support another transaction that provides for greater consideration to the shareholder, subject to the consideration in the alternative bid exceeding that in the existing bid by no more than 7% or the number of shares being acquired exceeding that in the existing bid by no more than 7%, and also subject to break fees which cannot exceed the greater of 2.5% of the amount of the original bid, and 50% of the difference in bid amounts. A Permitted Lock-Up Agreement can contain a provision giving the offeror under the Take-over Bid a right of first refusal to match the consideration payable under the subsequent Take-over Bid so long as shareholders are not deprived of their ability to tender to the subsequent Take-over Bid.

10. Flip-in Event

The Flip-in Event is the event that triggers the dilutive impact of the Rights. As indicated in items 2 and 3 above, prior to the Flip-in Event, each Right only permits the holder to acquire one Common Share at three times Market Price. After the Flip-in Event, however, a Right essentially entitles the holder to acquire additional Common Shares at half the Market Price. The Flip-in Event occurs when a Person becomes an

Acquiring Person. The board of directors has the ability to waive (or agree to waive) the application of the Rights Plan to a Flip-in Event. After the Flip-in Event has occurred, Rights held by the Acquiring Person and its associates and affiliates and any Person acting jointly or in concert with the Acquiring Person will become null and void and cannot be exercised.

11. Permitted Bids and Competing Permitted Bids

Certain Take-over Bids are considered Permitted Bids and/or Competing Permitted Bids under the Rights Plan and therefore do not trigger the dilutive effect of the Rights. To be considered a Permitted Bid, the Take-over Bid must:

- (a) be made pursuant to a Take-over Bid circular;
- (b) be made to all holders of record of the Common Shares;
- (c) be open for at least 105 days before any shares can be taken up and paid for;
- (d) provide that Common Shares can be deposited at any time up until the date the shares are taken up and paid for and can be withdrawn at any time prior to the shares being taken up and paid for; and
- (e) require at least 50% of the Common Shares held by the Independent Shareholders be deposited before the offeror can take-up and pay for Common Shares and once the offeror has acquired more than 50% of the outstanding Common Shares held by the Independent Shareholders, the Take-over Bid must be left open for at least a further ten Business Days following a public announcement of the continuation of the Take-over Bid.

A Competing Permitted Bid must meet all the requirements above and comply with the timing requirements of National Instrument 62-014.

12. Redemption, Waiver and Termination

The board of directors can redeem the Rights upon obtaining the required approval at a redemption price equal to \$0.000001 per Right (the “**Redemption Price**”). In addition, there will be a deemed redemption of the Rights at the Redemption Price on the completion of Permitted Bid, a Competing Permitted Bid or a Take-over Bid for which a waiver had been granted by the board of directors. After the Separation Time, if a Take-over Bid is withdrawn or otherwise terminated and no Flip-in Event has occurred, the board of directors can elect to redeem the Rights at the Redemption Price. Upon the occurrence of any of the above, the Rights will no longer be exercisable and the only entitlement of the holders of the Rights will be to receive the Redemption Price.

The board of directors has the ability to waive the application of the Rights Plan to a Flip-in Event if it determines that the Acquiring Person exceeded the 20% shareholding threshold by inadvertence and has since sold a sufficient number of Common Shares to cease to be an Acquiring Person.

The board of directors also has the ability to waive the application of the Rights Plan to a Takeover Bid made by way of a Take-over Bid circular sent to all holders of record of Common Shares of the Corporation. The board of directors may also waive the application of the Rights Plan to a Take-over Bid made other than by way of a Take-over Bid Circular, but only with prior shareholder approval. In this case, the Separation Time must be extended until ten Business Days after the date on which the shareholder meeting to approve the waiver is held.

13. Anti-Dilution Provisions

The number of Rights outstanding, the Exercise Price of a Right and the number and type of securities resulting on the exercise of the Rights are all subject to adjustment on the occurrence of certain events such as certain stock dividends, share splits or consolidations or a reclassification of shares. The purpose of these anti-dilution provisions is to put the Rights holders in the same position as if the Rights had been exercised before the event had occurred.

14. Amendments to the Rights Plan

The board of directors can make amendments to the Rights Plan without security holder approval where the amendments are clerical or typographical in nature or which are necessary to maintain the validity of the Rights Plan following any applicable changes in the laws governing such plans. Changes made to the Rights Plan (other than any change to correct any clerical or typographical error) are subject to confirmation by shareholders or Rights holders, as applicable, at the next meeting of security holders. All changes to the Rights Plan that require the approval of shareholders must be approved prior to the Separation Time or the Rights holders after the Separation Time.

15. Term of the Rights Plan

The Rights Plan will have a term of three years. The Rights Plan provides that it may be extended for one additional three year period after the initial three year term expires upon the approval of a majority of the Independent Shareholders pursuant to the provisions of the Rights Plan.
