About Dealnet Capital Corp.

Dealnet is a specialty finance company serving the \$20 billion Canadian home improvement finance market. The Company develops and supports consumer sales financing programs for approved dealers and distributors under agreements with original equipment manufacturers (OEMs) that supply a wide range of home improvement products to the retail market. The Company runs its Consumer Finance segment through the operating business, EcoHome Financial Inc. Through a dealer network, the Company underwrites, originates, funds and services the prime quality loans and leases that homeowners need to finance the acquisition and installation of capital assets that improve the quality, comfort and safety of their homes.

In addition, the Company operates its Engagement segment in the business communications industry in Canada and the U.S. under the One Contact banner, offering customer support services on a contract basis to third party institutions.
